

April 6, 2015

To: Mayor Bemrich and City Council

From: David Fierke, City Manager

**Subject: Purchase
Plants for Streetscape
5th Avenue South Corridor**

ACTION: For Vote: Monday, April 13, 2015

Brief History

In order to maintain a beautiful corridor with landscaped medians this council action approves the plant replacement purchase for this project.

Analysis of Issue

Bids were solicited from three (3) companies, see attached bid sheet.

Budget Impact

This will be paid from budgeted monies from the streetscape budget.

Strategic Plan Impact

Strategy C.2
Attractive Community Appearance and Image.

Comprehensive Plan Impact

Policy C.2.1
The important economic, tourism, and community image benefits of attractive major travel corridors through the area shall be recognized. Such entryway corridors shall receive priority attention for improved appearance and development, standards, including landscaping, signage, tree preservation, underground utilities, streetlights, and sidewalks.

Staff Conclusions / Recommendations

It is the recommendation to go with the low bids as outlined.
