

Chief Hulett

This is my letter of resignation to be effective immediately on June 23rd 2014. My reason for leaving is a job offer I accepted for Sioux City Fire and Rescue that I applied for prior to my hire here in Fort Dodge. I am truly thankful for all the opportunities and experience you have given to me here as a member of Fort Dodge Fire and Rescue. I will take the knowledge I gained here and use it for years to come. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "Devan Schipper", written over a horizontal line.
